UN CONCENTRÉ D'INNOVATIONS

Jamais 10 mètres n'ont été si longs.

Concentré d'innovations, génie de l'ergonomie et du confort, ce voilier emprunte à ses grands frères toutes les finesses de style qui subliment la qualité de vie, en navigation comme au mouillage. Conçu pour la navigation longue, la vie à bord est tout confort grâce entre autres à son cockpit ouvert. Des sensations uniques, un plaisir chaque jour réinventé.

A CONCENTRATION OF INNOVATIONS

10 meters have never been so long.

A concentration of innovations, a genius of ergonomics and comfort, this yacht borrows from its bigger brothers all the finesse of style that takes the quality of life to new heights, when sailing as well as at mooring. Designed for long-haul sailing, life aboard benefits from every convenience, thanks to its open cockpit, among so many other features. Unique sensations, a pleasure that's re-invented each day.
