GETAWAY

M/S GETAWAY is a luxurious yacht available for charter in the Eastern Mediterranean and she certainly lives up to her name with her very comfortable cabins and vast number of amenities. Launched from Mural Shipyard - Istanbul in March 2009, this yacht is a strong contender to be the favorite of any discerned traveller who desires nothing but the best during their time at sea.

With a traditional hull shape and contemporary interior, she provides the ultimate comfort outdoors and indoors with her open spacious design and light coloured interiors. Unusual amongst many gullets is the level of attention that was paid to her sail performance.

Getaway's sail plan and deck layout were designed with a high level of cruising performance in mind whilst still ensuring this yacht is simple, safe and enjoyable to sail.
