

LADY FORTITUDE

Azimut 52 with an excellent layout and sleek exterior lines makes her a very elegant motor yacht. Crafted to a high standard, she boasts Italian design and flair. Making full use of the space aboard, this yacht offers space and luxury alongside stunning performance and style. The fly bridge is surprisingly large and can comfortably accommodate all guests who want to enjoy the scenic vistas from ample seating and relax on a double sun pad. The yacht's refined interior décor is modern and features neutral leather soft furnishings, high gloss honey toned woods and ample natural light. The spacious dinette offers a large semicircular sofa with a table, and a further seating. A compact yet well equipped galley is to starboard forward. Guest accommodation is below deck where 3 cabins comfortably accommodate up to 6 guests: 1 Master cabin with double en-suite facilities and two Twin cabins, French beds, convertible in double if required, each one with en-suite facilities.
